

Center Rental Terms and Conditions of Use

Hours: Parks indoor facilities (centers) may be reserved for use by groups and individuals between 10:00 AM and midnight on Friday and Saturday; 10:00 AM and 10:00 PM Sunday; and 8:00 AM and 10:00 PM Monday through Thursday. Weekend reservations require a 10-hour minimum rental from April to October, and 6-hour minimum rental from November to March. A 6-hour rental is available for Valencia Hall year-round, and for reservations made within 3 months of the date at all Park centers from April to October. Weekday reservations require a 6-hour rental year-round. A 10-hour rental must include a 3-hour minimum set-up, a 5-hour maximum event, and a 2-hour minimum clean-up. A 6-hour rental must include a 1-hour minimum set-up, a 3-4-hour maximum event, and a 1-hour minimum clean-up.

Time Limits: Renters are expected to abide by the reservation times indicated on the facility use permit. If the time limits are exceeded by early entry or late exit, the Permittee will be charged for the excess time at 1-1/2 times the hourly rental rate. The fee will be deducted from any deposit or an invoice will be sent.

Changes to the Permit: Changes and additions to the permit may be made at no charge if submitted in writing before the first of the month preceding the event (for example, changes for September events should be submitted before August 1st). Any changes to the permit made during the month prior to event are subject to a \$100 fee and Department approval. (for example, changes for September events would be charged for any changes made after August 1st) (see page 2 for Change of Date fees). No changes or additions to the reservation times may take place within 2 weeks of the date nor on the day of the event.

Cancellations: Reservation cancellations must be made in writing. Cancelled reservations up to four months prior to the event are subject to a fee of 25% of the reservation rental fees. Reservations cancelled between four months and two months prior to the event are subject to a fee of 50% of the reservation rental fees. Cancellations of less than two months receive no refund of fees.

Alcohol Permits: A permit to serve alcoholic beverages may be issued for up to five hours with a facility reservation and requires a \$200 alcohol permit fee. A 3-hour permit is available for the 6-hour minimum rental and requires a \$100 alcohol permit fee. Only beer, wine and champagne may be served and consumed and only during the designated time period on the permit. The Alcohol Permit for Private Events, issued with the facility use permit paperwork, contains all of the conditions of the permit. If alcohol is to be sold at the event, a California Department of Alcohol Beverage Control permit and additional insurance is required.

Sound Permits: Public address systems, electronic equipment, live music (including acoustic) or amplification require a sound permit. The permit can be issued for up to five hours. A 3-hour permit is available with the 6-hour minimum rental. There are restrictions on outdoor sound that vary in each Park center. Please check with the Facilities office if you are planning on an outdoor sound permit. The Indoor/Outdoor Facility Sound Permit, issued with the facility use permit paperwork, contains all of the conditions of the permit.

Deposits: Damage deposits may be required for center rentals. The 10-hour minimum rental requires a \$200 refundable damage deposit. The 6-hour minimum rental requires a \$100 refundable damage deposit, which may be increased to \$200 if an alcohol permit is issued for more than 3 hours. Refunds are contingent upon completion of the facility use permit terms and conditions of use, including adherence to reservation time limits, clean-up requirements, and conditions of the sound and alcohol permits. If Parks facilities, grounds, and equipment are left in pre-use conditions and all conditions of the permits have been complied with, the full deposit will be returned. If damage occurs, repair or replacement costs will be subtracted from the deposit or an invoice will be sent. Refunds will be returned to the credit card on file within two weeks or check refunds will be mailed approximately three weeks following the event.

Damage: Damage done to the facility or grounds that do not have a deposit or the damage is not covered by the amount of the deposit will have the required amount billed to the Permittee. Staff rates to repair damage are charged at the current maintenance staff hourly rate. Bills not paid after 30 days are sent to collections.

Park Services Officer: A Park Services Officer (PSO) will open the facility and remain at the site for the duration of the reservation during the times indicated on the facility use permit. The PSO is responsible to see that all permit conditions are complied with and will work directly with the Permittee or its designated on-site representative(s) for set-up, event/ alcohol and clean-up. The designated clean-up contact must sign off on the clean-up checklist with the PSO after the event clean-up is completed.

Set-up and Clean up: Set-up and clean-up of the indoor facility and any adjacent exterior grounds may only occur during the hours of the reservation and as notated on the facility use permit. Permittee is responsible for set-up (chairs, tables, decorations, etc.) and clean-up of premises. Please leave the buildings and grounds free of debris and other refuse from your event. Refer to the Center Rental Clean-up Checklist for specific instructions. All recyclable materials should be placed in provided containers. Overnight storage is not permitted. If rental equipment is used, Permittee must arrange for it to be delivered and removed the same day as the reservation. Set-up and pick up may only take place within the reservation time frame. If the time limits are exceeded, the Permittee will be charged at 1-1/2 times the hourly rental rate. Staff rates to complete any incomplete clean-up by Permittee (as noted by the PSO and/or maintenance staff) may be charged at the current maintenance staff hourly rate, with final determination made by the Parks Facilities office.
