

Inflatable Jump House Terms and Conditions of Use

Permit: Jump houses are allowed at County Parks, as noted below, and require a \$60.00 fee, with or without a picnic reservation. Permits may be obtained at the Parks Facilities office.

Reservations: Reservations are made on a first come, first served basis and can be made up to one year in advance. Minors (under 18) are not eligible to reserve facilities. Full payment is required when the reservation is made.

Parks: Inflatable jump houses are only allowed at the following parks: Anna Jean Cummings Park picnic area A or AB, Aptos Park, Brommer Street Park picnic area, Felton Covered Bridge Park, Highlands Park picnic area, Jose Avenue Park picnic area, Pinto Lake County Park picnic areas, Polo Grounds, and Scott Park. No more than one jump house may be set up per park per day, with the exception of the two Pinto Lake Park picnic pavilions. Set up conditions may vary per park. Please see your permit for special conditions. Deputy Sheriffs monitor the parks. If a jump house is set up without a permit or in violation of the regulations, the permittee or jump house company may be asked to remove it.

Insurance: One million dollars per occurrence general liability insurance is required. A certificate of insurance must be provided by the permittee or jump house vendor and filed with the Facilities office before the event. A list of current jump house companies who have provided the approved insurance is available from the Parks office. A copy of the receipt or confirmation provided by the selected jump house company, chosen from this list, is required within 2 weeks prior to the event date, which can be delivered in person, by fax or email to the Parks Facilities office.

Electricity and Generators: Electricity is available at Pinto Lake County Park picnic pavilions, picnic area A at Anna Jean Cummings Park, and Jose Avenue Park picnic area. The jump house size is limited by the use of one air blower. Excessive electricity use may blow a fuse and discontinue additional electrical use that day. A sound permit, limited to five hours, is required when a generator is used. If generators need to be refilled, please do so on pavement only.

Vehicles: Vehicles are allowed in designated parking areas only; driving on grass areas or outside of parking areas is prohibited.

Cancellations: Reservations may be cancelled in person or in writing not less than 14 days prior to the scheduled event, with a permit processing fee of \$100.00 or 50% of the permit fee, whichever is less. Cancellations of less than 14 days receive No refund of fees. Refunds are not given for inclement weather.

Damage: Damage done to the facility or grounds during events that do not have a deposit, or the damage is not covered by the amount of the deposit, will have the required amount billed to the Permittee. Staff rates to repair the facility are charged at the current maintenance staff hourly rate. Bills unpaid after 30 days are sent to collections.

Thank You For Choosing Santa Cruz County Parks
