

COMPOSTING BASICS CLASS

This workshop will discuss the principles of composting kitchen and yard wastes using backyard bins and vermicomposting (worm composting) techniques. You will learn how composting will improve your soil and aid in the health of your plants and vegetables, as well as reducing waste going to the landfill.

This hands-on workshop is led by Certified Master Composter and Master Gardener Otis Johnson, and sponsored by the County of Santa Cruz Public Works Department. Upon completion of the workshop, attendees are eligible for free or discount composting bins, depending on your city of residence. Open to ages 16 & up. Space is limited and advance registration required. Call (831) 824-6484 or sign up online at goo.gl/Fw6BaK.

When: Sunday, November 5, 1:00-3:00 p.m.
