## Discover Petaluma

Our adventure will begin at the Petaluma Wildlife & Natural Science Museum, where the impressive collection is only a component of the unique and enriching experience to be had. We will be treated to a student-led tour of the world-class 9,000 square foot wildlife museum that a community of volunteers, faculty and students have built and maintained.

Next, we will board the bus and travel the short distance to the quaint downtown area of Petaluma where you will have time to do some exploring on your own. There you will find many wonderful restaurants, antique shops, art galleries, specialty shops (including the Seed Bank, Baker Creek Heirloom Seed Company's only west coast location), historic architecture of many structures that survived the 1906 San Francisco earthquake and the Petaluma Historical Library and Museum.
