

Kreative Kids Theater

A unique musical theater experience taught in a supportive and playful environment. Students will develop confidence and collaboration skills while learning lines and lyrics. The series will conclude with a heartwarming evening performance for family and friends. Students must be able to attend class without their parent present. (The play is a surprise!) Parents are required to assist with simple costuming, scenery and/or props and to provide snack refreshments for one class during the series and for the performance night. **Instructor:** Freesia Raine. Freesia has taught programs for pre-school and school-age children for over 20 years, including providing musical direction for several play productions at Santa Cruz elementary schools.
