

Time Travelers

Summer Day Camp

at Quail Hollow Ranch County Park

Have you ever wondered what it would be like to travel back in time? Find out in this innovative day camp for children ages 6 to 11 years. California history and life science are combined, providing hands-on, fun-filled, educational activities that allow children to experience times past. Activities include dressing in historical attire; enjoying historic food, crafts, and games; and recreating cultural activities. Visits to normally closed portions of the park, field trips, guest speakers and more will be enjoyed during the 2-week session.
