

## **Quail Hollow Ranch**

A report came in about a down tree on the Italian trail at the park. The volunteer trail crew and maintenance staff responded quickly and worked together to remove the dead tree and clear the trail.

We also have a couple volunteers that take shifts at the park to answer questions and educate the public about the park and park rules. If they are not walking the trails you can find them at the picnic tables in front of the house.

## **Granite Rock virtual fundraiser**

Traditionally Graniterock holds a fundraiser for Quail Hollow Ranch Park. Unfortunately this year they will not be able to, so instead they have created a GoFundMe page for Quail Hollow Ranch Park.

They have committed to donating \$1000 to the Friends of Quail Hollow Ranch non-profit. Thank you Graniterock for your support.

## **North Coast**

Jay Todd, our dedicated north coast volunteer lost his home in the fire and unfortunately he and his wife will not be re-building. Jay has been volunteering and picking up litter on the north coast at our beach access points, parking lots, open space, and along the highway for almost 7 years. Jay has informed me that he will be back volunteering for us in the future, just not up on the coast. He and his wife are looking for a home closer to town and as soon as they are settled he will find a County Park to volunteer in.

## **Interns**

We are very excited to have 6 interns working within our department.

Alyssa (CSUMB), Rishi (San Diego State Univ.) and Jack (University of the Pacific) are all working with Park Planner, Michael Hettenhausen on various projects.

Jewell (UCSC) is working with Annie Morris on Social Media outreach.

Evelyn (CSUMB) is working with Emilia Gamboa on accounting projects.

Jose (CSUMB) will soon be working with Annie Morris on a website project.
